## OBJECTIVE

---

My goal is to obtain a position which would allow me to use my creative skill set in conjunction with the creative skills of others to market or promote according to a clients needs.

## TARGET JOB

---

My ideal work place would be one that promotes creativity and provides a positive work atmosphere. I work well as a member of a creative team so working along side other designers/marketers would be a plus; however, I am well-versed in the art of managing my own projects from draft to completion.
